Soulcaster

Soul rules & manifested spells

MAX HP	BLANK MINIMUM	STARTING CHARGES	CHARGE CAP	SPELL LIMIT
6	4 / Action Die	0	3	4

Soulcasting

- **Gather:** Resolve a Blank to gain 1 Soul Charge (maximum 3).
- **Manifest:** Resolve a Blank, pay the chosen spell's creation cost (Soul Charges + 1 HP), and replace that physical Blank with the spell.
- **Delayed effect:** A newly created spell cannot activate on its creation turn. It activates when rolled on a later turn.
- **Duration:** Spells last until the encounter ends. Up to 4 manifested spells may exist at once.

Manifested Soul Spells

01 Wraith Exchange

MOVEMENT

Create: 2 Soul Charges + 1 HP

Swap positions with an ally within range 4. Both heroes may then Move 1.

02 Soul Harvester

ATTACK

Create: 1 Soul Charge + 1 HP

When resolved, spend 1 additional Soul Charge to deal 1 damage to an enemy within range 3. If this kills the enemy, gain 2 Soul Charges.

03 Mirror of the Damned

DEFENSE / REACTION

Create: 2 Soul Charges + 1 HP

When you or an ally within range 2 is targeted by an Attack, grant them 2 Block. If the Attack causes no HP loss, deal 1 damage to the attacker.

04 Grave Stitch

SKILL

Create: 1 Soul Charge + 1 HP

Heal yourself or an ally within range 2 for 2 HP. Then replace this spell face with Blank.

05 Hoarded Omen

BUFF / SKILL

Create: 1 Soul Charge + 1 HP

Choose yourself or an ally within range 3. During their next turn, they may store one unresolved ordinary ability result instead of using it, then resolve it on their turn the following round. Cannot store Reactions, Channels, Constants, Negative results, or Hoarded Omen.

06 Fatebreaker

SKILL / REROLL

Create: 2 Soul Charges + 1 HP

When rolled, reroll one eligible Boss Action Die and gain 1 Action Reroll, following normal capacity and timing rules.

Creation cost is paid on manifestation; Soul Harvester also costs a charge when used.

Working prototype | Manifested faces return to Blank after the encounter.
